

Acre Intrusion's **WSIR-INT** provides audible and visual indication of an alarm. It seamlessly blends style and security resulting in a class leading product. The WSIR-INT is slim and stylish and can be installed in seconds.

This device is easy to mount, easy to pair, and easy to configure, ensuring installation time is minimized. In addition, both devices use enhanced, low current RF technology which provides superior communications and ensures long battery life.

Features & Benefits

- ✓ **Long battery life:** With high performance Lithium batteries and APS (Automatic Power Save) technology the WSIR-INT has a battery life of up to 7 years
- ✓ **Long RF range:** Up to 1250m transmission range in open space means that a single transceiver can cover the majority of installations
- ✓ **Easy to mount:** The WSIR-INT can be mounted in seconds, the back of the enclosure is screwed to the target surface and the front clicks into the back without any screw to be tightened
- ✓ **Easy to pair:** Smart pairing mechanism allows the device to pair with the Acre intrusion transceiver in seconds. Key features include:
 - Automatic pairing on removal of the isolator tab
 - LED guided Enrolment
 - Unique serial number for each device
- ✓ **Easy to configure:** The WSIR-INT device is entirely configurable 'over the air'. Configurable features include:
 - Output control for audible output
 - Adjustable supervision time

Key Features

- ✓ Cover and wall tamper protected
- ✓ EN Grade 2 approved
- ✓ Audible & visual indication
- ✓ Selectable output volume, 4 levels

Technical Data

Power & Mechanical

Automatic Power Saving	Yes
Battery Type	2 Lithium batteries 1.5V AA Type
Operating Temperature	-10 to +55°C
Transmit Power	~ 14dBm

Intrusion

Event transmission	Tamper, Supervision, Low battery
Supervision time	Supervision time Selectable, 7 min by default

General

Battery life	Up to 7 years
Current consumption	<ul style="list-style-type: none">- Standby ~30µA- Receive mode ~10mA- Transmit mode ~45 mA
Dimensions (L x W x H)	95 x 95 x 25mm
Frequency	868-869Mhz
Range	up to 1250m in open air
Sound level	> 90dB at 1m
Weight	80g (batteries included)

Ordering Information

Type	WSIR-INT
Product Code	V54538-F115-A200
Description	WSIR-INT Wireless Internal Siren
